Education

Daytona State College, Daytona Beach, FL Postbaccalaureate in Premedical Science	December, 2022
Florida State University, Tallahassee, FL Bachelors in Psychology	July, 2021
Daytona State College, Daytona Beach, FL Associates Degree with Honors	August, 2018

Research Experience

Postbaccalaureate Fellow May 2024 – Present
 Maranges Social and Personality Psychology Lab | PI: Dr. Heather M.

- Conducting literature reviews, student trainings, and research
- Focusing on life history theory, behavioral ecology, morality, and mental health research

Senior Research Assistant 2021 – May 2024
 Maranges Lab - Wake Forest University and Florida State University | PI: Dr. Heather M. Maranges

Social Media and Self-Control Project

- Reconstructed and presented a new framework for an article for resubmission.
- Reviewed old references and gathered new references to support the revised framework related to self-control, need to belong, and Facebook use for the introduction, methods, results, and discussion sections.
- Updated the tables and charts through SPSS to reflect renamed constructs in light of the new theoretical framework.

Operationalizations of Childhood Environment Project

- Systematically gathered and deconstructed relevant research data to identify common themes related to the focus of life history theory.
- Created spreadsheets and documents to organize, operationalize, and analyze predictors and their outcomes into a database.
- Interpreted and coded quantitative and qualitative results from the 80 articles gathered for review.

Research Coordinator May, 2023 – May 2024
 The Family Institute and Department of Human Development and Family Science, Florida State University | PIs: Drs. Frank Fincham and Heather M. Maranges

- Designed and administered surveys (e.g., via Qualtrics).
- Managed and scheduled research assistants and participants.
- Trained research assistants in literature searches, reviews and annotated bibliographies.

Senior Research Scholar

January, 2023 – December 2023

Revision of Theories of Personality (12e) – Schultz, Schultz, & Maranges (2024) | Cengage

- Conducted literature searches, reviews, and annotated bibliographies for textbook on theories of personality.
- Mentored and supervised research assistants to develop and execute plans to reach literature research goals.
- Guided, motivated, and communicated with all team members through weekly assignment transitions.

Research Assistant

January – July 2021

Psychology Department, Florida State University | PI: Dr. Jon Maner

- Reviewed and critiqued weekly presentations of research articles being prepared for submission.
- Lead discussion on current articles relevant to the theme of the week.
